

CHERRY HILL EAST COUGAR BASEBALL

Dear Friend of South Jersey Baseball and the Cherry Hill East Baseball Program:

The Cherry Hill East Baseball Team is currently seeking financial support. Your support is the key in purchasing such necessary items as: hats, socks, score books, senior gifts, a new batting cage (indoors and out), new uniforms in 2009 and the painting of the backstop in 2004. Most recently, this past fall, we over seeded the infield, painted the dugouts and rebuilt the mound and home plate using professional materials.

Over the past fifteen seasons, our program has been fortunate enough to participate in such prestigious invitational competitions as the **Richmond Virginia Tournament**, the **1997, 1998, 1999, 2000, 2001, and 2003 Hawaiian Tropic Tournament** in Myrtle Beach, South Carolina, the **West Minster Christian Academy Baseball Classic in Ft. Lauderdale Florida in April 2007 and most recently the Cougars traveled back to Myrtle Beach, S.C. for the 2010 Mingo Bay Classic**. In addition to these nationally recognized events, the Cherry Hill East Cougars also compete perennially in the most selective of local tournaments, The **Diamond Classic**.

Most recently, the contributions of our generous supporters have led to some **major additions to our facilities**. Thanks to the friends of East Baseball, the Cougars home field is now equipped with home and visitor dugouts, a scoreboard, a permanent outfield fence and field irrigation. With future aid we will be purchasing a new backstop and other field maintenance equipment. Each of these endeavors benefits the players and adds to the overall quality of South Jersey Baseball. We very much appreciate your support.
